Respect~Honesty~Community

Dear Parents and Caregivers,

Welcome back to Term 4 to all our families and I hope you had a wonderful and safe holiday break. It was wonderful to see our students return organised and happy, ready for learning.

Opening Times For Classrooms
All classrooms are open from 8:35am, providing students an opportunity to arrive on time, get organised for the day of learning and build friendships with other students. Parents and Caregivers are welcome and encouraged to visit classrooms in the morning, say hi to their child’s teacher and listen to reading. It has been wonderful to see so many of you here in the mornings, it’s a wonderful vibe across the school and a great start to Term 4.

2015 Class Placement Process
We are about to start the process to determine class structures for 2015. If you are relocating schools, moving interstate or know that you will not be at Elizabeth Grove PS in 2015, please complete the form that was sent home last week with your child and return to the class teacher as soon as possible.

The placement of all students will be undertaken by teachers, taking into consideration:

• Learning needs
• Gender balance, where possible
• Special abilities and/or needs
• Parent requests
• Social and behavioural issues

As you will appreciate this process is complex and involved. We wish to establish the best possible combinations that support all students’ academic, social, physical and emotional learning.

I invite you to provide us with information you would like considered in the placement process. While no guarantees can be given all information will be read and considered.

Sometimes there is confidential information related to class placement. Should this be the case, please return this information in a sealed envelope and address it to Dan Jarrad – School Principal at the Front Office. Alternatively, please make an appointment with me over the coming weeks to discuss your child’s needs. We hope to publish our class structures midway through Term 4.

Kind Regards,

Dan Jarrad
School Principal

A focus on supporting children to be responsible for their own learning is seen here below as they engage in a game of Farm Bingo. Children have learned how to play the game, take turns, explore roles (e.g. being the leader) and match according to shape, colour and pattern.

In week 1 the children explored noodle slush and decided to extend their play by adding water, dirt, paint, leaves, bark, sponges and slime. There was a lot of pouring, measuring and estimating which support numeracy and socialising as they shared equipment. A strong focus at the centre is supporting children as they guide their own learning through their own ideas!

**ELIZABETH GROVE CHILDREN’S CENTRE**

**Peel Pour Pop Program**

On Monday the 20th of October we are starting the Peel, Pour and Pop Program. This breakfast themed program focuses on encouraging children and families to start the day with a healthy breakfast.

This program will go for 4 weeks and after the program has finished we will have a shared breakfast which all parents are welcome to attend. Join us each morning as we sample breakfast ideas.
