Dear Parents and Caregivers

On Monday, our staff participated in the ‘Annual Review Day’ which looks at evaluating our successes with regard to student learning and identifying next steps within our improvement cycle as a school. All schools undertake review days, albeit, they all look a little different. It was an extremely successful day as we looked at our school highlights, next steps for improvement, student learning data and class structures for 2015. One of the key areas identified for 2015 was in the area of reading and building stronger partnerships between school and home. The picture below outlines what the research tells us about how important it is for children to have positive home and school experiences with reading.

We also look forward to our Sports Day on Friday, we are all keeping our fingers crossed for the weather to be perfect. Come along and join in the fun of the day.

Kind Regards
Dan Jarrad - School Principal

**Come to Elizabeth Grove Primary School!**

Persuasive writing By Rachel H, Zoe S and James M - Room 10

Your children will love coming to Elizabeth Grove Primary School!

The place for an interactive learner with lots of special events, dedicated staff and sensational environment.

**Special Events**

At Elizabeth Grove Primary School we celebrate many different events. On Sports Day we dress up in our team colours and we compete in races, shot put, tug-of-war, parachute, basketball and many other events. On Harmony Day we dress in orange and celebrate our diversity. On Multicultural Day we celebrate all the different cultures in our school. Our choir performs at Starplex and the Festival Theatre every year. At the end of the year we have an end of year concert where every class sings a song.

**Teachers, School Support Officers [SSO] and Leaders**

Here at Elizabeth Grove Primary School we have dedicated teachers, school support officers, leaders and other staff. The teachers help us with our learning and are dedicated to our wellbeing. The SSO’s help students in their learning and work in the office and library. Mr Jarrad, Mrs Shaw and Miss Blazevic are our senior leaders; they are a great opportunity for the school to change into something special.

**Environment**

At our beautiful primary school we have a sensational environment. The class rooms are safe and fun to be in. We had renovations at our school and we went from uncomfortable, dull rooms to comfy, clean and inspiring class rooms, outside our school we have a new groundsmen named Tyler who cleans the school and keeps it tidy. We are lucky to have a vegetable garden, butterfly garden and a green grassy oval.

**Conclusion**

We believe you will have the time of your life at Elizabeth Grove Primary School.

Our Christmas raffle has begun and donations are already coming in. It will be drawn on Wednesday 10th December

Numeracy
Numeracy is an important part of our learning environment and this term we have focussed on children linking numeracy with their everyday lives and also providing resources for them to experiment with. Here children used the transport items to put into groups of their choice, count and make patterns.

WEEK IN OUR PEEL, POUR, POP BREAKFAST PROGRAM THE CHILDREN MADE SCRAMbled EGGS AND SAMPLED THESE.
