Dear Parents and Caregivers

Congratulations to our students, staff and parent community who experienced a wonderful Multicultural Day on Tuesday. Our students experienced a wide range of learning activities that focussed on cultural diversity leading up to and on the day. Their audience manners were outstanding at the community Ceremony.

I would like to thank the staff who committed an enormous amount of time and energy into the planning of the day and ensuring a quality day was had by everyone who attended.

A special thank you must go to Jenny Graetz and Lisa Linnell and their band of helpers for making the food tasting an event to be rivalled!

To our CLO’s, BSSO’s, Janet Doolan, the Women’s Wellness Group and Social Work placement students who ran sessions for students, you all helped to make our day work without a hitch.

The students and organising team thank you for your enthusiasm in sharing your culture.

Kind Regards
Dan Jarrad - School Principal

What’s happening in Term 3?

School Fees
If you have not paid your School Fees, please do so now or make arrangements with the Office to pay them in instalments.
For year 6/7 parents, if you have not completed paying your fees then you will need to pay for aquatics in week 8. Thank you in advance for your co-operation.
In week 1 of Term 3 we had a visit from Rebecca Mummford from Greenhills Living to update our vegie garden. In term 2 we had many delicious treats from the garden and children were able to sample our home grown carrots, lettuce, beetroot and radishes. Our peas are growing well, as are our silverbeet and kale. This time we have planted some potatoes to see how they can grow from old potatoes into new plants that will give us new potatoes.

We had a lot of fun playing with some ‘upcycled’ building site materials today. Who knew some old pipe could be so much fun! This is a really important element of play for young children as it encourages children to use their imaginations and find purposes for the materials. The children rolled in and over the pipes, rolled them down the hill, rolled them down the slide, threw and kicked balls into them, took them into the sandpit and filled them with sand and when they were finished, just sat on them.

If you are able to access some recyclable materials for the centre, please speak to an Educator.

We are still looking for suggestions for the upgrade of our outdoor playing area. If you have any pictures or suggestions please feel free to drop in and speak to an Educator or staff member about your ideas!

Congratulations to the boys Football team who went undefeated in the SAPSASA Football Carnival last Friday. After a hard fought match against Burton the boys came away victorious. Well done to all the competitors for displaying such great teamwork, sportsmanship and grit.

It was a real pleasure to be involved in the day.

Michael Koenig
