SCHOOL CONTEXT STATEMENT

School Name: Elizabeth Grove Primary School

School Number: 0897

School Profile: Elizabeth Grove Primary School is part of the Elizabeth Grove Community Campus, consisting of Elizabeth Grove Primary School, Elizabeth Grove Out of School Hours Care, Elizabeth Grove Children’s Centre and Kids ‘n’ You Family Services. Our learning is closely aligned to the values of our school, which include Respect, Honesty and Community. We aim to work in partnership across the Elizabeth Grove Community Campus and build with all staff and leaders a strong and seamless relationship across all levels of schooling and care. We believe that every child has the ability to learn, can be successful through achieving their personal best and will make valuable citizens within the community. Building a strong partnership with parents/caregivers underpins our school value of Community. When parents and caregivers are involved in the learning process for a child, increased learning outcomes can be achieved. Parents and Caregivers know their child better than anyone and the information that is shared with your child’s teacher is invaluable, likewise, when parents understand what they can do to support the school we strengthen the learning process for children. Specialist programs include Physical Education, Positive Education, Kitchen Garden, After School Football, SAPSASA and Choir. Elizabeth Grove is a category one school under the index of disadvantage.

1. General Information

Part A

School name : ELIZABETH GROVE PRIMARY SCHOOL
School No. : 0897
Courier : Elizabeth Grove Primary School
Year of opening : 1960
Principal : Mr Dan Jarrad
Senior Leader : Mrs Anne-Marie Shaw
Senior Leader : Ms Sonja Blazevic
Leader Of Learning : Mrs Chris Guy
Postal Address : 20 Haynes Street, Elizabeth Grove 5112
Location Address : 20 Haynes Street, Elizabeth Grove 5112
District : Elizabeth/Munno Para
Distance from GPO : 22 kms
Children’s Centre attached : YES
OSHC attached : YES
Phone No. : 08 82552108
Fax No. : 08 82871561

General Characteristics
The Index of Disadvantage at Elizabeth Grove is Category One. A large proportion of our students are from single parent or blended families. Many in our school community are experiencing compound disadvantage. High School destination of Year 7 Elizabeth Grove PS students is predominantly Fremont Elizabeth HS (Playford International College) and Salisbury East HS while a small number of families enrol in independent schools.
Student Well Being and Behaviour Education Programs
Our Senior Leader in Student Wellbeing and Behaviour Education along with our staff supports our school community in the areas of social skills, Child Protection and Behaviour Education.

A Safe School Policy and Bullying Proof framework supports a safe learning environment for students and staff. Students are provided opportunities to oversee sports borrowing, serve in our canteen, run lunchtime sports and work in buddy classes. Restorative Justice practices are an integral part of our approach to supporting students in the area of conflict resolution. In 2013, new Learning Code was created by our students which underpins Positive Education and supports building upon student’s strengths. Consistency of language and constant referral to our Learning Code is a key action across the school for all staff, students and families.

Special Programmes
Our school has a strong focus on our values of Respect, Honesty and Community. Our learning and social programmes support student inclusion, participation and equity for all learners. These include access to camps, excursions, sporting activities and performances.

The school has a well-established Student Review Team to support individual student learning needs. This team includes the Principal, Senior Leaders, SSOs, ACEO and Special Education teacher and families. Team planning is provided each term to meet with class teachers to develop or modify individual learning programs for students through release, NIT and/or team planning during our Professional Learning Evenings.

The Elizabeth Grove Community Campus runs government and non-government services to cater for community needs. The Women's and Children's Hospital run Early Child Parent Services as part of the Women’s and Children’s Health Services Program on the school site. This program that supports the social and health needs of the community.

The Elizabeth Grove Children's Centre is situated on the school grounds and is an integrated pre-school and Occasional Care Centre catering for children from birth to 5 years of age.

3. Key School Policies

Strategic Learning Directions
In 2014 our key areas for improvement as outlined in our Site Improvement Plan are in the areas of Literacy - Reading Comprehension, Numeracy and Behaviour Education. This is strongly connected to the Strategic Plan – School Vision that was created with our community throughout 2013. The Plan includes specific targets that clearly indicate what improved outcomes learners will achieve or demonstrate. It also includes actions that staff will commit to do to support learners at the classroom level and the data that needs to be collected and analysed to promote the assess, plan, teach cycle. There is a strong focus on working in teams (Professional Learning Teams) to develop a consistent curriculum across all year levels. There is a continued emphasis on high quality teaching and learning for the 21st Century and the building of a learning culture that is based on professionalism, responsibility and team work.

4. Curriculum

Subject offerings
The school delivers the required areas of the curriculum in line with the newly introduced Australian Curriculum. We are currently reviewing our Languages Program. A whole school Literacy Agreement was finalised in 2014 and is currently in place across the site. A daily Literacy block is an expectation of every classroom with a core focus of guided reading. Literacy learning is everyone business and all staff are involved in this at some level. This Pedagogy is underpinned with growing student independence, ensuring opportunities for reflection and feedback and the use of Formative Assessment tools to inform instruction.

Staff are undertaking significant learning in the area of Maths, being led by an ‘Action Team’ made up of leaders and teacher leaders. Our current focus (2015/2016) is in the area of evidence based pedagogical change with teaching Maths and the construction of a clear and concise whole school pedagogical agreement in Maths.
The Wave 1, Wave 2 and Wave 3 model of intervention is used based on data collected through class and school level review. MiniLit, Speech Support and Phonological Awareness programs are implemented across the site to target learners and close the gap in learning.

As part of the Physical Education program, students R - 5 attend swimming at the Aquadome and students Yr 6 – 7 access an aquatics programme at West Lakes. Developing pathways for all students through sporting opportunities is a key priority. Access to the Sporting Schools Grant has provided great opportunities for students to access high quality coaching programs in a wide range of sports.

Acquaintance Nights are held early in term 1 each year, the focus being bringing the community together. Parent / Teacher Interviews are held at the end of Term 1, followed by student reports being sent home at the end of Term 2. Parents and Teachers can arrange optional interviews in Term 3 with a final student report being sent home at the end of term 4. All staff are encouraged and supported to build strong relationships with families as we know these partnerships can significantly impact on students learning.

**Extra Curricular Learning**
A team of Information Communication Technology technicians support the implementation of new technology throughout the curriculum. This will continue to be a priority in 2016 as infrastructure is developed across the school to ensure wireless connectivity, access to learning resources online and the introduction of mobile learning devices for students and staff.

Daily fitness is also expected 3-4 times per week.

The school choir participates in the Primary Festival of Music and the Regional Festival at the Starplex Complex at Gawler. The Premier’s Reading Challenge and the Premier’s Be Active have also been features of the school over the past few years. Students participate in a number of SAPSASA events each year and represent the school with pride.

All students participate in the DECD swimming programme. We also have an end of year concert and a Graduation Ceremony for Year 7 students. Science week, Book Week, Reconciliation Day, Kaurna and Kitchen Gardens are also incorporated into the curriculum.

**Teaching Pedagogy**
Staff are committed to actively engaging students in learning. There is an emphasis on the Assess, Plan, Teach cycle to plan and deliver curriculum. Analysis of data is an integral part of this cycle and a number of data sets are mandated for collection. Staff have also used the Teaching for Effective Learning Framework to improve student learning. There is a clear focus for all to ‘know your students’, gather evidence about learning and plan to differentiate instruction.

**Assessment procedures and reporting**
Parent/Teacher interviews take place in Terms 1 and 3. A written report is provided for each student at the end of Term 2 and Term 4, in line with the DECD reporting policy. Data that underpins the reporting includes NAPLAN, Running Records, PAT-M, PAT-R, Screen of Phonological Awareness and spelling levels from the Words Their Way.

**School and Community Partnerships**
We have close ties with Elizabeth Vale and Elizabeth South and share the costs and presenters for Professional Development. There are co-funded HR arrangements between EVPS and EGPS with the appointment of a Leader Of Learning. The role is focussed on mentoring and coaching of staff to build teaching capacity. Joint learning teams have also been established with a key focus of building knowledge and effective pedagogy within teams. Our Partnership sites work together to plan and run Pupil Free Days to support building consistency of learning.

**5. Sporting Activities**
The school participates in SAPSASA athletics, winter and summer carnivals. We run 2/3, 4/5 and 6/7 Australian Rules football teams that play locally on Saturday mornings. Students have identified Sport and Physical Education as an area of learning they wish to see strengthened across our school.
6. Staff (and their welfare)
All teachers at this school are qualified and registered with the SA Teachers Registration Board.

**Staff Profile**
EGPS has an established and experienced leadership team along with a high functioning admin support team. Stability within the staff team is evident with a mixture of experienced and beginning teachers comprising the staff configuration. EGPS has a core group of SSO’s who work with students in learning support roles, however, we are often requiring new SSO’s due to the transient nature of our community.

**Performance Development**

Performance Development is an important and valued part of our professional learning culture at Elizabeth Grove PS. Staff are supported to identify and document Professional Learning Goals as part of our Performance Development Framework. A ‘Critical Friend’ structure has been established to promote and support collegial conversations connected to teaching practice, learning goals and improving student learning outcomes. A strong sense of trust and mutual respect is required among staff and leaders to support this model of Performance Development.

The Step 9 process for teachers and the introduction of the National Professional Teaching Standards have provided a consistent framework for staff to develop a Performance Development Plan focussed on continual improvement in their teaching practice. As part of this plan, teachers and leaders will have the opportunity to be work shadowed, observed, provided with written and verbal feedback, released to observe peers and participate in other school visits. Mentoring and coaching of all staff is a significant aspect to our Performance Development Framework.

7. Incentives, support and award conditions for Staff
Entitlements identified under the Enterprise Agreement are implemented.

8. School Facilities

**Buildings and Grounds**
Our school is a single storey design consisting of six separate buildings which includes an Open Space Unit, a gymnasium, two classroom blocks, a small activity room and an OSHC building. Our grounds are spacious providing opportunities for community partnerships to be developed over time for use.
**Cooling**
Split system air conditioning is in all learning environments.

**Specialist Facilities**
We have a newly developed Resource Centre which will include access to a pod of computers and mobile devices for learning. All classrooms have Interactive whiteboards installed, however, new technologies are being explored for implementation in 2016/2017. We have 2 Covered Outdoor Learning Areas over our play equipment and a planned Nature Play upgrade for 2016. A new gym was built as part of the National School Pride funding in 2013.

**Student Facilities**
A school canteen is open 2 days a week. Out of School Hours Care (OSHC) is located next to school. The grounds are extensive and include a football oval, soccer pitch and an asphalted basketball/netball court as well as many hand ball courts. The resource centre is open at lunchtimes and staff run a variety of lunchtime activities throughout the year.

**Staff Facilities**
A well equipped staff room is provided with Large Screen TV for our online Intranet and Daily Notices. Teachers have access to meeting rooms and laptop computers for team or individual planning.

**Community Facilities**
Several rooms are available for community use and these are shared with the Children’s Centre and other onsite agencies. A variety of courses for parents as well as health and social work services are available on campus through Kid’s N You, FLO Programs and incursions. Occasional Care, Pre-School and Social Workers are all located on campus.

**Access for students and staff with disabilities**
There are access points and facilities for students and staff with disabilities.

**9. School Operations**

**Decision Making Structures**
There are well-established decision making processes in the school. Emphasis is placed on consultative and participative processes. Decision making groups include School Governing Council, SRC, Student Review Team, Grounds, Canteen, Fundraising, Finance, Educational Issues / Parent Participation, Security, Out of Hours School Care Leadership Team, PAC, Staff, Curriculum Committees and Campus Committees, including Aboriginal Community Voice.

**Regular Publications Include:**
School Newsletter is published in weeks 1,3,5,7 and 9 of each term, weekly staff bulletin, online daybook, newly released school website, Professional Learning Evening program, Agile Meeting agendas, committee meeting minutes, class newsletters, staff information folder and information package for prospective parents. Intranet for daily bulletin and notices was newly introduced in 2015.

**Other communication**
Community Yearly Planner and Professional Learning Planner are displayed on large whiteboards in the staff room and sent out at the beginning of each term to families and staff. This information is also contained on our website.

**School Financial Position**
The school uses a very structured budgeting process. Students, staff and a number of committees are responsible for expenditure of money. Staff have significant input into identifying budget priorities and sub committees monitor ordering and purchasing. The Finance committee meets regularly to monitor whole school expenditure.
10. Local Community

General Characteristics
With approximately 70-80% of our student population on school card, economic disadvantage is a significant issue in our local community. Transience is on the increase. Unemployment is high. Although our population is predominately English/Australian, we have increasing numbers of Aboriginal and African families. Developing a school environment that reflects a strong sense of belonging for all our students is a key priority.

Parent and Community Engagement
We have a good number of parents involved in the school. Areas include canteen, fundraising, classroom support and School Governing Council. Our Governing Council is strong and active in supporting the School Principal and staff in creating a learning centred environment for our students. There are a number of Governing Council Sub Committees which include: Education, Sport, OHSC, Finance, 21st Century Learning Spaces and Community Development. These committees are convened by parents / caregivers with support from school staff and are very active across the school. A group of volunteers run a community second hand shop in the school. Building stronger partnerships with all families and community members is an identified priority at our school. Aboriginal Community voice is a meeting of families and Aboriginal students each term. Families, students and staff get together through our Nunga Café to celebrate the successes experienced throughout the term or discuss the learning that is taking place within the school.

Feeder Pre-Schools
Elizabeth Grove Community Campus Children’s Centre is the main feeder kindergarten.

Other Local Care and Educational Facilities
The Elizabeth Grove Children's Centre is located on the school grounds. There is close liaison with the children's centre in relation to transition. We have an Out of School Hours Care facility situated at the school. Fremont - Elizabeth City High School (newly named Playford International College) is the nearest high school.

Commercial, Industrial and Shopping Facilities
The Elizabeth Town Centre is located 5 minutes from the school. Other local facilities include Elizabeth Swimming Centre, Central Districts Football Club, Lyell McEwin Hospital and Munapaiendi (Aboriginal Health Services) and Holden’s Plant (identified for closure)

Local Government body
Playford City Council.
