Dear Parents and Caregivers,

What a wonderful night on Wednesday at our 'Night on the green @ The Grove'. We had around 120 parents, caregivers, students, staff and community members attend, a great showing. We hope you had a fun night and visited a range of learning areas, getting passports signed off. Students were particularly proud in showing off their learning areas and other special spaces across the school. We had a roving magician show which students and adults enjoyed.

### AGM and Governing Council

Our AGM was held in the Library from 6:15pm and was well attended. It was a great opportunity to share the highlights from 2016, talk openly with families about the upcoming year and answer questions about the schools achievements.

Congratulations to Debbie Deller who was elected as our Governing Council Chairperson for 2017. We also accepted nominations for Governing Council and welcome our new members to the team.

Kind Regards

Dan Jarrad - School Principal

# ROOM 12

We have had a busy start to the year in Room 12. To begin the term we have been doing the 2017 Back to School programme, which all classes have done. In this programme we focus on the school learning code and our class have spent a lot of time talking about respect. We have looked at respect for ourselves, for each other, the school and the wider community.

One of the activities we did as part of the Back to School programme was create a recipe for respect. We explored the 24 different character strengths that we have learnt in Pos. Ed. and created a mix of all these strengths to create a perfect recipe for respect.

We have lots of exciting things to look forward to this year. As a class we are looking forward to being seniors in the school and leading by example. We looking forward to opportunities to participate in activities such as choir, camp, aquatics, sports day, SAPSASA and many other things.
